INTERNATIONAL INNOVATIVE FORUM OF YOUNG SCIENTISTS "YOUNG ELPIT"

IN FRAMEWORKS OF SIXTH INTERNATIONAL ENVIRONMENTAL CONGRESS

ELPIT 2017

**«ECOLOGY AND LIFE PROTECTION OF INDUSTRIAL-TRANSPORT
COMPLEXES»**

**SEPTEMBER 20-24, 2017
SAMARA, RUSSIA**

Forum and Congress ELPIT-2017 web-site: <http://elpit-congress.ru>

Postgraduates, students of universities and colleges and pupils of senior forms are invited to participate. There are two events in framework of forum: open competition of scientific-innovative projects and open competition of scientific reports of young scientists (postgraduates, students and pupils).

Topics of reports and projects should be devoted to the following branches:

1. Sciences about the Earth;
2. Ecology of Environment and of Man. Ecologically caused illnesses;
3. Rational Natural Resources Using. Energy Conservation Technologies;
4. Environmental Monitoring;
5. Minimization of Waste Number and Waste Treatment Technologies;
6. Provision of Ecological Safety in Industry;
7. Urban Ecology. Ecological Design;
8. Emergency Situations, Accidents, Reduction of Risk of it Arising and Liquidation of Consequences in Conditions of Industrial-Transport Complexes;
9. Labor Protection. Industrial Safety;
10. Questions of Education in Field of Ecology and Life protection. Ecological Culture.

PARTICIPATION IN FORUM IS FREE OF CHARGE!

Form 1 (Title Page)

INTERNATIONAL FORUM OF YOUNG SCIENTISTS "YOUNG ELPIT-2017"

APPLICATION № _____

KIND OF COMPETITION:	Competition of Scientific-Innovative Projects Competition of Scientific Reports
DIRECTION:	_____ (number and name of direction)
REPORT (PROJECT) TITLE:	_____
EDUCATIONAL INSTITUTION (university, college, school, gymnasium)	_____ (full name)
FORUM PARTICIPANT	_____ (фамилия, имя, отчество полностью)
DATE OF BIRTH OF PARTICIPANT	_____
TERM OF EDUCATION (form, year of education)	_____
KIND OF PARTICIPATION: ORAL OR BY CORRESPONDENCE (only for projects competition)	_____

Rector or deputy rector of university (director of educational institution)

(Surname, first name, signature, stamp of organization)

Form 2 (Questionnaire of Forum Participant)

1. Participant name and surname.
 2. Post address for sending the materials according to the forum results.
 3. Contact phone (with city code).
 4. Email address.
 5. Full name and postal address of educational institution (university, college, school, gymnasium etc.) in which forum participant is studying.
 6. Name of specialization on which the participant is studying, faculty, course, group (or form).
 7. Surname, first name of supervisor, position, scientific honor.
- Forum participant: _____

(Surname, first name, signature)

It is necessary to confirm postgraduate (student, pupil) status by confirmation letter from educational institution

OPEN COMPETITION OF SCIENTIFIC-INNOVATIVE PROJECTS

It is possible to participate as orally, as by correspondence. In case of participation by correspondence organizing committee will send diploma and prize to the address, pointed out in questionnaire of competition participant. Projects titles and annotations will be published in special catalogue.

Complete set of materials of competition application must be received by congress secretariat no later than September 15 2017.

Requirements for application form to the innovative projects competition

Application form must include:

- **Cover letter** with project title, data of participant (surname, first name, faculty, course, group of form) and data of scientific supervisor (surname, first name, position, scientific honor and degree), signed by rector of deputy rector of university (or by director of educational institution);
- **Title page** (see form 1);
- **Questionnaire of Forum Participant** (see form 2);
- **Отзыв of Project Scientific Supervisor** (no more than 2 pages);
- **Project summary** (no more than 0,5 page) for publication in catalogue;
- **Project content**, including разделы "Introduction. Topicality of project topic", "Project purpose", "Scientific novelty", "Practical importance", "Project description", "Market, marketing", "Conclusions. Main results of project". Total volume of project should not be more than 15 pages of printed text (The top, bottom and left margins should be 2.5 sm., right margin - 1,5 sm., print Times New Roman Cyr, printing height - 12, first line indent - 0,5 sm, single space, alignment – on width);
- **List of scientific publications of competition participant** on the topic of declared project, signed by competition participant and verified by rector or deputy rector of university (director of educational institution);
- **List of objects of intellectual property** (patents, certificates of program provision registration etc.) on the topic of declared project, signed by competition participant with submission of copies of first pages of patents, certificates etc.

JURY. Projects will be estimated by jury composed by famous Russian and foreign scientists.

ESTIMATION CRITERIA: project topicality, project scientific novelty, possibilities of practical application of project results, project innovative importance, presence of scientific publications on the topic of the project.

AWARDING: Winners and prize-winners of competition in nominations "Postgraduates", "Students", "Pupils" are awarded by medals, diploma and prizes. All competition participants are awarded by diploma of participants and catalogue of projects.

OPEN COMPETITION OF SCIENTIFIC REPORTS

It is possible to participate only orally (report presentation). **Requirements to scientific report presentation:** report is presented in volume of 4-6 maximally filled in pages in electronic form by E-mail: elpit@tltsu.ru or in paper (2 copies) to the congress secretariat address.

Requirements to design: For the text of report please use «Microsoft Word» redactor. The report must be typed single-spaced. Use double-spacing only to set off equations, headings and subheadings. The body of the text should be prepared using a serif font such as Times New Roman 14. Paper size - A4 (210x297). The top, bottom and left margins should be 2.5 sm., right margin - 1,5 sm. The title of the paper should be placed in centred position. A 14-point font in bold print and all capital letters should be used for the title. Next line is skipped. Then author's initials and surname are following. On next line is printed "Scientific Head" and its initials and surname. Below it: full name of educational institution, city, country. If there are several authors and they are from the separate institutions, second (third) authors and educational institutions are marked by signs (*(**)). Next line is skipped. Then text of report is followed.

Report must be received by congress secretariat no later than 15 September 2017.

Together with the report it is necessary to submit cover letter with report title, participant data (surname, first name, faculty, course, group of form) and supervisor data (surname, first name, position, scientific honor and degree), signed by rector of deputy rector of university (or by director of educational institution); title sheet (see form 1); questionnaire of competition participant (see form 2).

JURY: reports will be evaluated by independent jury, composed by famous Russian and foreign scientists and specialists - representatives of organizations, enterprises and institutions.

ESTIMATION CRITERIA: report presentation quality, topicality, scientific novelty and practical value of report, stimulation of attention, culture of speech, adequacy of answering to the questions, personal input, following to time limit.

AWARDING: Winners and prize-winners of competition in nominations "Postgraduates", "Students", "Pupils" are awarded by medals, diploma and prizes.

INTERNATIONAL INNOVATIVE FORUM OF YOUNG SCIENTISTS "YOUNG ELPIT"

Secretariat address: Russia, 443100, Samara, Molodogvardeyskaya str. 244, Samara State Technical University, ELPIT-2017 Congress Secretariat, scientific head, professor **Andrey Vasilyev**.

Forum contact phones: +7-917-125-91-10 (Alexey Ganin), +7(846)242-11-76 (Anna Churkina, Vlada Zabolotskikh, Olga Zavodskaya). Fax: +7(846) 278-44-00
